

You're invited–

To help “plant the future” of the Green River Natural Resources Area (GRNRA), the City of Kent’s 300-acre wildlife refuge.

Why:

To improve wildlife habitat, water quality and our local natural environment.

Where:

Meet at the GRNRA main parking lot, across the street from Van Doren’s Landing Park, 21861 Russell Road in Kent. Easiest access is from S. 228th Street, south of the site. Head west from West Valley Highway and turn north on Russell Road just before the new bridge.

When:

Saturday, October 7th, 9 AM - 12 PM, snacks provided!

Bring:

Gloves, shovel, work clothes and enthusiasm! We can provide gloves and shovels if you don’t have them.

Children under 16 years old welcome with adult chaperones.
